HFRS Weekly Wrap

Dear Parents,

I want to thank you for making our first week back a tremendous success! The faculty and staff thoroughly enjoyed welcoming back the students and we are looking forward to a wonderfully blessed year.

This week we welcomed new teachers and staff to our school community. Please join me in welcoming Miss McKenzie Looney (MS Math), Miss Brittany Rogers (4th Grade Teacher), Mrs. Vicky Giordanelli (1st Grade Assistant), and Bianca Gojcaj (EDC Assistant). We are still in the process of interviewing candidates for the open Spanish position for grades Y5-5, Media Specialist (SC), and Playground Monitor (SC). If you have an interest in any of these positions, please contact Mrs. Danielle Bruce.

This Week's Happenings:

- Special thanks to Christina Scollin for organizing our room parents. All of our families should be receiving an email from your designated room parent with an introduction and information about volunteering in the classrooms. We are grateful for the wonderful parents who are taking on these leadership roles in our school. Room Parent meetings will take place next week.
- I want to thank our middle school faculty for hosting our first Meet the Teacher evening on Wednesday. The teachers did an amazing job sharing information about their subject area and curriculum.
- This past week we have been adjusting to the drop-off and pick up procedures. Once the buses begin to join us next week, there will be modifications to our procedures. Please follow the maps provided in this newsletter and follow the directives of the school staff who will be outside to help with these procedures.
- Raffle tickets were distributed on the first day of school. All raffle ticket stubs and money are due back to the school office by September 16. Please help us out by removing the staples from the stubs.

The Strategic Planning Team will be meeting in September to discuss the results of the accreditation visit. The team will also be scheduling Input Sessions where parents will be invited to provide ideas and feedback which will be used to form our five year strategic plan. More information will be provided in the upcoming weeks.

Please note that morning drop off at South Campus is 8:00am. Students arriving before 8:00am will be sent to EDC where they will be enrolled in the EDC program. Students are not allowed to sit in the rotunda without supervision prior to 8:00am.

Wishing you blessings and a restful weekend,

Mr. Jon Myers
Principal

Protecting God's Children: Holy Family Regional School will be hosting a Protecting God's Children workshop on Wednesday, September 14 at 6:00pm at our South Campus. All parents who are planning to volunteer at HFRS, coach sports, or drive children on field trips must take this required class. Please register for the event on the AOD website.

Parents, at north campus, please be mindful that you are not blocking any part of a homeowner's driveway on Linwood, Highland, Maywood or Northwood. Rules of the road need to be followed. We ask that you please use the arrival loop when dropping off your students in the morning at north campus, and please use the car dismissal lanes that lead to the back of the school at end of day. We want to be good neighbors and be respectful of people's property. Thank you for your kind attention to this important notice.

Announcements:

We still have some Room Parent openings in our Middle School. Please consider this important support position to our teachers.
