

HFRS Weekly Wrap

Dear Parents,

This week our south campus students had the opportunity to visit the Santa Shop. Thank you to our PTG for this huge undertaking and providing this opportunity to all our students. We also appreciate the many volunteers who helped students shop for gifts to give the many special people in their lives.

Thank you, again, to the many parents who helped write and have supported our Parent Code of Conduct. Again, it goes into effect January 1, 2025. You will notice the presence of the administration team at school events, who will help ensure the policy is properly implemented. If you have concerns at events, please see the administrator in attendance to report your concerns.

As we have entered the cold/flu (and other illnesses) season, please remember to keep children home when they don't feel well, especially if running a fever. We want the children at school, but we also understand that sometimes they are unable to focus because they don't feel well.

We have also entered the winter season, which brings cold weather and the potential of a school closing. We follow the Rochester Community Schools, which means if they close, then we will also close. Once we are notified of their closing, we call to report ours. This information is available on your local TV news, as well as a call from our school. Please make sure you have the right phone number listed as your primary contact (of your choice) to receive these calls. You can update your parent portal in FACTS to assure you get the call in the most timely fashion. Also, please make sure students are dressed properly for recess. The time to be outside, getting fresh air, and playing with friends is an important part of their development. We take the children outside following our school policy in the handbook.

This will be our last Weekly Wrap of 2024. Our next Wrap will be issued Friday January 10, 2025. As we reflect on the many blessings of this past year, I will especially remember each of you, your families, and your children. The blessing of being able to share our faith with each other is one of my greatest blessings.

When we return in January, it will be time for our middle of the year (MOY) STAR testing. Teachers will communicate directly to let you know when they will be administering both reading and math tests. Many of you have received your progress monitoring reports. As educators, our focus is on 'Student Growth', because we want to see our children are growing in these skills. We frequently talk to the students about a 'Growth Mindset,' which is important in every aspect of life. We may not have mastered a skill 'yet' but in time with the right instruction we will. The growth in each student is something to celebrate. Our collaboration with parents helps us achieve this, and we are grateful for this partnership.

Your disciple in Christ,

Bridget Hondzinski

Announcements:

The 2025-2026 Tuition Assistance Application is NOW OPEN.

The application will close February 28, 2025. Please see the school website (holyfam.org) for important information, instructions and deadlines. Tuition assistance information is located under the Admissions tab.

New this year, the Department of Catholic Schools is hosting webinars for parents for the upcoming 2025-2026 Tuition Assistance Application season.

These webinars will be a chance for applicants to fully understand the application requirements and ask any questions they may have. For times and dates, go the <https://www.detroitcatholicschools.org/tuition-assistance-scholarships>.

Parents, thank you for keeping your child home if they are feverish or actively coughing, sneezing, or experiencing a stuffy nose that is oozing. Sharing germs impacts everyone in our buildings and is then brought home to family members.

We appreciate your help in keeping everyone as healthy as possible.

Hot lunch ordering for February opens January 1st and closes January 7th at noon. No late orders can be accepted.

A NOTE FROM MRS. MYERS:

How are you doing this Advent?

The late Thanksgiving has, for me, put a rush in what should be a beautiful journey to the manger. Slowing down and taking time to be still, knowing that God is present, has helped me refocus when needed.

I have spoken to many of you in the last few days and noticed a range of emotions in our families. Some are baking cookies and already joyfully passing out gifts, some are excited while getting ready for a long travel to be with family, some are saddened by the serious illness of a loved one, some are remembering those who have passed and won't be present this year at Christmas.

Every moment of every day is important and should be regarded as a gift from God. We are gifted with seasons like Advent, Lent, Christmas and Easter while preparing and celebrating our relationship with God. The most powerful things, inside of us and around us, often happen in what may seem insignificant. Many times, we are too busy to notice. We must just slow down, take a breath and recognize God in our midst, and in one another.

May you feel the breath of the Holy Spirit as you wait, prepare and open your heart to Jesus Christ our Savior and Lord. Help your child learn to be still, be quiet, to wait and to be patient. Contemplation is vital in our relationship with the Divine.

Peace in Christ,

Kim Myers,

Director of Campus Ministry

UPCOMING:

...update from St. Andrew Catholic Church:

*Hello Confirmation Families,
The Lions just announced a 4:30PM game this
upcoming Sunday (12/15). We think Lions Football is a
great way to spend the Lord's day celebrating with
family. Therefore, in order to blend our love of faith
and football, we are moving Sundays Confirmation
Parent/Teen meeting to 2PM in the AB
(Activity Building aka GYM)
We hope this new time will work better for your
schedules as well. Please share this information with
friends in case they miss this message.
God Bless Our Lions!!!*

DID YOU KNOW?

Why is holly used at Christmas?
The Druids (a druid was a member of the high-ranking priestly class in ancient Celtic cultures.) thought that holly was a sacred plant and could protect against evil spirits. For this reason, they would often wear holly in their hair, occasionally as a wreath upon the head. With Christianity the plant took on a new meaning. The red berries were thought to represent the blood of Christ, and the prickly leaves symbolized the crown of thorns.

*HFRS website has a prayer
button where families can
submit prayer intentions.
These intentions are brought
to the Altar during our School

Staff Appreciation

The halls continue to have that classic Christmas Magic! Thank you to all the parents who helped decorate both North and South Campus! Thank you too for all the parents who helped create reindeer water bottles and string star ornaments for the children during our Christmas celebration!

Christmas Kindness Countdown

The PTG has been hosting a Christmas Kindness Countdown this week! Several classes have been picked per day to receive a sweet treat and have been tasked to complete an act of kindness. Once their kind act has been completed, each child received a star ornament. They can decorate their star and hang it on the Christmas tree at school. One act of kindness can spread to so much more!
