HFRS Weekly Wrap

Dear Parents,

As we come to the close of another fruitful week, let us take a moment to reflect on the blessings, lessons, and growth we've shared as a community rooted in faith, learning, and service. If you did not receive the text messages yesterday you may have your text notifications turned off in your parent portal. When you are at your FACTS dashboard, click on preferences, at the bottom of the page there are boxes under 'Text Notifications.' If this is checked 'no' you will not receive the text notifications when we use this feature. I would recommend choosing 'yes' if you would like to get these texts. We only use this feature for quick, brief, and time sensitive information.

I am excited to share that our Gleaners Food Drive final collection was \$17,055. Thanks to 'Match your March' our donation grand total was \$34,110, which equals 102,330 meals! This will impact the lives of so many people in our community. It's a testament to our commitment to a life of service. Thank you for your generosity, and helping form our young disciples as servant leaders.

Next week we will **not** have bus transportation for the entire week, as Rochester Community Schools are on their spring break. South shuttle students will be dismissed earlier and parents should line up in the 'bus loop' rather than the traditional front loop of the school. This will allow parents to get over to the north campus for their younger children on time. Students will exit the building by 3:23, and staff will take them to the bus loop for pick-up. Please stay in your vehicles.

Data Results

In the fall our student took the Religious Perspective Survey provided by the Office of Catholic Schools. Our students were given a multiple choice question about the Eucharist. We have 92% of our students who understand the *true presence of Jesus* in the Eucharist, body, blood, soul, and divinity. Additionally, 83% of our students agree or strongly agree that they have experienced God's *grace* in their own lives. They are living examples of our Catholic faith.

Regarding our STAR results, during a regular school year all students experience academic growth. Students at Holy Family Regional School are growing (academically) at an accelerated rate. Our students grew 69% in reading and 68% in math which means they have typical to high growth. Other Catholic Schools across the nation grow 51% in reading and 49% in math. We have dedicated our professional learning to differentiation, universal design for learning, have teachers trained in a variety of specialty areas for reading and math, and have moved to an intervention model. The dedication and hard work from our entire staff has helped us reach this within a short period of time. I am humbled daily by their dedication to excellence and living our school mission.

After reviewing our scores with Dr. Bluestein (associate superintendent of Curriculum and Design) and Mrs. Vigneron (our associate superintendent), we are looking to apply for Blue Ribbon status in the Fall of 2025-2026. This would be an excellent way to celebrate Holy Family's 45th year of dedication to providing a Catholic education. When we are closer to our May testing timeframe, we will give a reminder to have students well rested, and to apply their knowledge to the best of their ability. We are excited to celebrate their growth, and we look forward to growing more dendrites.

Your disciple in Christ,

Bridget Hondzinski

A NOTE FROM MRS. MYERS:

Our Patron Holy Father

St. Joseph

Feast Day March 19th

St. Joseph, the most chaste spouse of the Virgin Mary and foster father of Jesus, offers us a model for virtue and holiness where the adage “actions speak louder than words” entirely applies. There are no recorded words of Joseph in the Gospel narratives; however, his actions, when considered and contemplated, speak volumes that every believer can draw upon for their own spiritual growth.

Pope Francis proclaimed the “Year of St Joseph” on December 8, 2020 to mark the occasion of the 150th anniversary of the declaration of St. Joseph as patron of the Universal Church. In his Apostolic Letter, [Patris Corde](#) (“With a Father’s Heart”), Pope Francis expounds on the character traits of St. Joseph as a virtuous and loving father: welcoming of God’s will, expressing his vocation of fatherhood in a creative and courageous manner, demonstrating the value and dignity of work and making a sincere gift of himself to serve the needs of Mary and Jesus as a “shadow” of our heavenly Father’s love.

St. Joseph is the exemplary model of the hidden life in our Lenten practices of fasting, almsgiving and prayer called for in the Ash Wednesday Gospel reading “And your Father who sees in secret will repay you.” [Matthew 6:1-6](#) and [Matthew 6:16-18](#).

Fasting

Imagine being St. Joseph, along with Mary as the behind the scenes, the preparatory teacher for Jesus entering his public ministry as the long-awaited Messiah and getting no public accolades of recognition or credit. How often do mothers and fathers perform those innumerable and unacknowledged acts of love and sacrifice that only our heavenly Father recognizes and rewards? This is the Lenten sacrifice of “fasting” from recognition, giving without counting the cost or getting something in return, that we can embrace willingly in our state of life during this Lenten season.

During the hidden years in Nazareth, Jesus learned at the school of Joseph to do the will of the Father. That will be to be his daily food (cf. Jn 4:34). – PATRIS CORDE

Almsgiving

Imagine how St. Joseph labored day in and day out in his trade as a carpenter, eking out a living to provide for the Holy Family's needs and allow Mary to be a stay-at-home mom to their son Jesus. Undoubtedly there was discussion about how they had to do without in order to provide for the needs of the family and charitable giving of resources. This is the unrecognized "almsgiving" that one knows in providing for the financial needs of others and putting aside our own needs and preferences that's especially called for during Lent.

Saint Joseph was a carpenter who earned an honest living to provide for his family. ... He never made himself the center of things. He did not think of himself but focused instead on the lives of Mary and Jesus. – PATRIS CORDE

Prayer

Imagine the burden of insurmountable circumstances and hardships that confronted the Holy Family, and St. Joseph's reliance on God through trusting prayer that allowed him to remain faithful to his calling and the promptings of the Holy Spirit. The many displaced and desperate experiences that St. Joseph prayerfully endured and overcame by God's grace and provision are the "prayer" of Lent that he models for us all as we open up ourselves to God during Lent to realize and receive more of his love for us.

Even through Joseph's fears, God's will, his history and his plan were at work. Joseph, then, teaches us that faith in God includes believing that he can work even through our fears, our frailties and our weaknesses. – PATRIS CORDE

Pope Francis concludes his Apostolic Letter PATRIS CORDE with this prayer to St. Joseph:

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy and courage, and defend us from every evil. Amen.
