## Boo!

Did we scare you into reading this week's eerie-sistible news??

*(Cue maniacal laugh...mwahahaha)*

## Trunk or Treat

Fri, Oct 20th - North Campus *(for real)*

**Trunk or Treat is tonight! Time to get this party started!** *Here are a few reminders:*

-  Plan to meet up with your pals, prior to pulling into the NORTH CAMPUS parking lot, if you want to spook near each other.
-  Remember to bring your ticket...to NORTH CAMPUS.
-  Arrival is 4:45-5:45 pm. For safety reasons, no cars may enter after 6 pm.
-  All cars must stay parked until 7:30 pm.
-  Don't forget your treats to distribute! Plan for approximately 700 kids.

## Robotics at Trunk or Treat

HFRS Robotics isn't scary! *We'll prove it.* Visit our HFRS Robotics table at Trunk or Treat to learn all about our 3 fangtastic teams, like the "First Lego League" (Grades 4 & 5) and "First Technical Challenge" (Grades 6-8). Introduce yourself or just pop by to show your support. Play a game to win prizes/candy and one of the robots just may drop a piece of candy in *your bucket!* See you there!

*HFRS Robotics will compete in November. More info to follow.*

## Family Skate Night

Fri, Nov 3rd

*"This one's for couples and backward skaters only."* Not really, it's for everyone...BUT if that sentence triggers your nostalgia (*and anxiety*), this night's for you! **Nov 3rd at The New Rink** in Shelby Township. See attached flyer.

## Staff Conference Meals

Tues, Nov 7th

On the first day of conferences, the school - with assistance from the PTG - will provide a delicious meal for our amazing HFRS staff. The main meal will be catered, but we are requesting donations for additional items.

[Sign-up here](#) to donate and show your support for these fabulous individuals!

## Invention Convention

### Volunteer Teachers Needed

We are looking for two parents to teach the Invention Convention\* curriculum to our kids over the course of a few workshops. *What's in it for you?* Aside from seeing some pretty cool ideas come to life, you'll earn volunteer hours. Score! *The best part?* You don't have to invent the lesson plan...it will be provided. [Contact Amy Ryczko](#) to volunteer.

*\*Invention Convention is a national STEM focused program where students are guided through the invention process as they create their own invention that positively impacts their life.*

## Retail Fundraisers
