Christmas Shop starts at SC today. Add Communication Chair to PTG to assist secretary with workload. Interested candidates (ideally experienced with Pages, Dropbox, etc.) send email to President email. Will be meeting with Mothers' Dinner coordinators next week to go over details of event. March 3: new date for Mother/Son event. April: Daddy/Daughter Dance.

- Treasurer's Report

Dena Premo

Bank balance (\$21,917). Large deposit in January from Christmas Shop. Small deposit from Family Dinner. Also, anything from Family Skate Night.

- Principal's Report

Bridget Hondzinski

Hired outside company to do security assessment. HFRS is in top 10% of schools in MI in terms of current security measures. Half Day Fridays provide ample opportunity for staff to participate in PD. 11 qualified individuals to form Academic Excellence Committee in January. For next year, PTG not to be burdened with Room Parents; will be taken over by Administration (suggestion for next year). Same with Athletic Council. Going forward, suggestion presented to have one Room Parent sign up to be communicator, one to be the "doer", etc. Protecting God's Children: issue with parents not completing/renewing their training and signing up for volunteering; other issues with school not receiving information when parents renew. Suggestion to "lock" access to SignUpGenius to anyone who has not completed/renewed PGC.

Post-Event Reports

- Christmas Shops

Christine Hurst

Christmas Shops: most successful year yet. Changes in volunteer format (8 parents vs. 4 parents; 1:1 shopping) allowed for quicker shopping and ability for children to stay on-budget. Turned a profit (doubled from last year – about \$3370). Three restocks. Total budget (NC and SC): \$4000. Mothers' Dinner jewelry almost completely sold (except for one piece).

- Family Dinner Night: Successful. Over \$1500 in food sales. Restaurant rounded up to \$2000 (about \$300 profit).
- Advent Priest Luncheon: Went smoothly. PTG to relinquish organization of luncheon going forward; Campus Ministry Committee taking over. Credit to be given to chairs who coordinated this year.

Pre-Event Reports

- STEM: moving along rapidly. Meeting with 2nd grade teachers this week. 1st grade teachers meeting after holiday break. 1/2/3 STEM Day (all students; grandparents welcome to participate). Invention Convention in January. Academic Excellence Committee to move under STEM for additional support? All grandparents need to complete PAGC; offer a virtual or in-person option at NC to make it easier for grandparents to complete. Register through Virtus. April 4: 2nd grade. March: 3rd grade. May: 1st grade.

- Staff Appreciation: got plenty of decorating volunteers. Going forward, decorate prior to Santa Shop (right after Thanksgiving). Staff gifts will be arriving and distributed. Class treats/activities will continue next week.
